Forecast For Strathclyde
Issued by Met Office Aberdeen
at 0400 on Friday 29 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Rather cloudy with some rain and hill snow.

Today:
A mostly cloudy morning with outbreaks of mainly light rain and hill snow. The rain and hill snow clear southeastwards through the afternoon with some bright or sunny spells developing across Argyll. Occasionally fresh northeasterly winds. Maximum temperature 5 deg C (41 deg F).

Tonight:
Mainly dry through the evening and overnight with long clear spells developing. A widespread frost is expected to develop along with ice on untreated surfaces. Minimum temperature -4 deg C (25 deg F).

Saturday:
A frosty start to a dry day with long spells of sunshine for many, especially across Argyll and Ayrshire. Northeasterly winds easing. Maximum temperature 4 deg C (39 deg F).

Outlook for Sunday to Tuesday:
Dry with long clear or sunny spells Sunday and Monday with widespread overnight frosts. Tuesday sees rain, with a risk of significant hill snow, spreading northeast with strengthening southeasterly winds.
